WHEREAS, it is recognized that contracts for loans and capital grants for urban renewal projects will require, among other things, (1) the approval of the urban renewal plan by the governing body of the locality in which the project is situated; (2) the provision of local grants-in-aid which may consist of donations of cash, land, demolition or removal work, and the installation, construction or reconstruction of streets, utilities, parks, playgrounds or other improvements or the provision of other public buildings or facilities; and (3) the development of a feasible method for the relocation of families displaced from the urban renewal area.
