City Clerk  
City of Providence  
25 Dorrance Street  
Providence, Rhode Island 02903

Dear Mr. Clement:

During this past summer, a resolution of the City Council requested that the Department of Environmental Management clean the brush along the sidewalks along Harris Avenue and, also, in the area of Route 10 near 160 Plainfield Street. The resolutions named the Department of Environmental Management, however, this work actually is the responsibility of the Department of Transportation.

The resolutions were forwarded to RIDOT and I am advised that the work was completed back in September. I wanted to bring this matter to a closure.

Very truly yours,

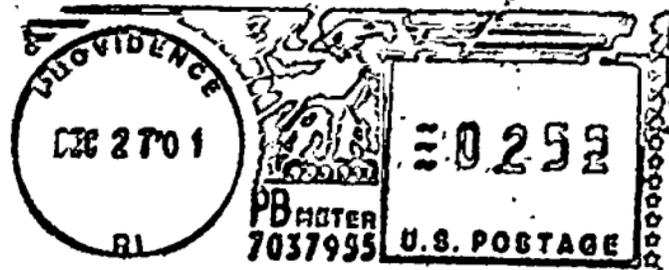

John D. Nickelson  
Deputy Chief Engineer
