From: Captain William V. Devine, Director of Traffic

Subject: Change of Address - 375 Allens Avenue

Sir: Attached is a copy of correspondence received from your office, subject; change of address from 375 Allens Avenue to One Warren Way.

I instructed Lieutenant Richard Sullivan to respond to the location as stated above and he informed me that the change would not be a problem. He further informed that at present the entire Warren Way has buildings owned by Warren Oil Company. It was noted that the present 375 Warren Oil Company building (Allens Avenue) is under reconstruction. The front door of the building is on Allens Avenue.

If the front door is changed to Warren Way, then it would not appear to be a problem.

Respectfully submitted;

Councilwoman Josephine DiRuzzo  
Chairwoman, Urban Redevelopment  
Renewal and Planning Committee  
Providence City Hall  
25 Dorrance Street  
Providence, RI 02903-1789

Dear Councilwoman DiRuzzo:

In reference to the proposed Resolution which would change the property located at 375 Allens Avenue to One Warren Way, I believe that these types of changes may tend to compromise the numbering system the City of Providence now maintains.

Presently, there are approximately 20 buildings in the downtown area that have been given out-of-sequence or unique addresses. If we (jointly) allow this practice, an erratic address system in the City of Providence could occur which might result in chaotic conditions not only for the Postal Service, but for the city's Police and Fire Departments as well as others attempting to locate these addresses. I suggest your committee take these issues into consideration and review this resolution. Our recommendation is to retain the present address sequence.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolutions for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

Very truly yours,
