Manager of Community Relations  
280 Melrose Street  
Providence, Rhode Island

Dear Mr. DeAngelis,

I have been requested by Councilman Thomas M. Boyle sponsor of the attached resolution to correspond with you as to the type of street lighting he would like.

He has been informed by a Representative of your Company to replace the existing street lighting facilities along Chalkstone Avenue with Sodium Vapor Lights, in lieu of the Lumen Mercury Vapor Lights as the resolution requests.

Very truly yours,

Rose M. Mendonca,  
City Clerk.
