Dear Ms. DiRuzzo:

Thank you for asking the Postal Service to express an opinion regarding plans to salute Harry Kizirian. We believe a symbolic designation of part of Corliss Street, renaming it Harry Kizirian Way, would be a most appropriate expression of honor to Harry.

A permanent change has the potential of disrupting service and confusing directions. In addition, there are a number of separate issues surrounding your plans to rename a part of Corliss Street, that we feel obligated to bring to your attention:

- * Each business on Corliss Street will be put to significant expense in making changes to letterheads, billing forms, business cards, and related material currently in use.
- * Public records giving description to the location of property will require modification.
- * Notification of the change to all correspondents/customers.
- * Postal Service system-wide notification of street name change.

Some of these changes would require 12 to 18 months effort to coordinate and change corporate and personal records, throughout the country.

In our opinion it is also appropriate to consider the possible impact upon survivors of George Henry Corliss, inventor of a steam engine that had local and world-wide beneficial impacts on industry, and for whom the street is currently dedicated.

The Postal Service is pleased to offer a counter proposal which it believes would be a fitting, permanent tribute to Harry Kizirian. We would be agreeable to having the space immediately in front of the Post Office dedicated as The Harry Kizirian Plaza. The

space currently is the site of the American flag, and a small granite marker memorializing all those who served in the military branches.

Please give active consideration to our concerns and recommendations. Your expression of concurrence is hoped for.

Sincerely,

A handwritten signature in cursive script that reads "William F. Mason". The signature is written in dark ink and is positioned above the printed name.

Dear Ms. DiRuzzo:

Thank you for allowing me an opportunity to address your recent Committee meeting, on the proposal to rename Corliss Street.

Your considerate understanding of the position put forth in favor of companies doing business at Corliss Street locations, and the sentiments of the Kizirian family about the Postal Service's creation of a **HARRY KIZIRIAN PLAZA** were all taken into consideration by your actions. Those actions were, I believe, in the best interests of all concerned and speak well for the foresight shown by Committee's decision to amend Council's resolution proposing the street name change.

Final plans for the type of marker we will use to designate the site are going forward today. Please be assured they will be appropriately dignified and suited to the purpose we want to achieve in paying tribute to Harry Kizirian for his many contributions to his country, his community, and the Postal service.

It is my intention to keep you informed of the progress we make in this endeavor.

Sincerely,

William F. Mason

Dear Mr. Petrosinelli,

We are writing to request that the City of Providence rename West River and Corliss Streets in honor of former U.S. Marine and Providence Postmaster Mr. Harry Kizirian.

Mr. Kizirian's exploits as a U.S. Marine in the South Pacific theater during World War II are well-documented and a matter of historic record. A long-time resident of Providence, Mr. Kizirian generously supported (and continues to support) numerous community and veteran's organizations during his 25+ year tenure as the Postmaster of Providence. The image of Harry Kizirian is indelibly stamped into the minds of many Providence citizens when they think of the Providence Post Office and it's Corliss and West River Streets location. The Kizirian family's roots are deeply entwined in the Charles and Corliss Streets area.

For these reasons, we request that the streets now known as Corliss and West River be renamed in honor of Mr. Harry Kizirian. We thank you for your consideration. Please feel free to direct any questions you might have to me at telephone# 732-6417.

Sincerely,
