AUTHORIZING THE CITY OF PROVIDENCE TO ISSUE BONDS
IN THE AMOUNT OF THREE MILLION (\$3,000,000.)
DOLLARS FOR THE MODERNIZATION, CONSTRUCTION AND
ACQUISITION OF LAND FOR SCHOOL PURPOSES.

SECTION. 1. The City of Providence is hereby authorized and empowered, in addition to and not in substitution for authority previously granted, to issue, in addition to the bonds heretofore issued and now outstanding, under its corporate name and seal or a facsimile of such seal, serial bonds in any form which the city council of said city has heretofore approved or may approve, in an amount not exceeding THREE MILLION (\$3,000,000.) DOLLARS. The principal thereof and the interest thereon shall be payable in any coin or currency of the United States of America, which at the time of payment is legal tender for public and private debts, and the debts incurred by said bonds shall be obligatory on said city in the same manner and to the same extent as other debts lawfully contracted by said city. The dates of maturity of said bonds shall, in no case, be more than twenty-five (25) years after date of issue; provided, however, that the first installment of the principal of the bonds issued under the provisions of this act shall mature on such date as said city council shall determine, but not later than five (5) years after the date of issuance. No installment of principal of any issue shall exceed the next prior installment by more than fifty per cent, except for a prior installment earlier than herein required.

SEC. 2. Said bonds shall be signed by the city treasurer and countersigned by the mayor of the City of Providence and shall be issued and sold at such times and in such amounts as the city council of said city shall determine. The bonds may be issued in coupon or registered form and shall be subject to such provisions for registration and exchange as may be determined by the city council. The premiums, if any, arising from the sale of said bonds shall be applied to the cost of preparing, issuing and marketing the bonds, and any balance of such premiums shall be applied to the payment of the principal of said bonds in the order of their maturity. The proceeds arising from the sale of the bonds authorized by this act shall be delivered to the city treasurer and such proceeds, except as hereinbefore provided in respect to the premiums arising from the sale thereof, shall be expended for the modernization and construction of schools in the City of Providence, including the purchase or condemnation of land for such purposes. No purchaser of any of said bonds, however, shall be in any way responsible for the proper application of the proceeds derived from the sale thereof. The countersignature of the mayor may be by facsimile signature.

SEC. 3. Any proceeds of bonds or notes issued hereunder or of any applicable federal assistance, pending their expenditure, may be deposited or invested by the city treasurer in demand deposits, time deposits or savings deposits in banks which are members of the Federal Deposit Insurance Corporation (without regard to the limit of insurance) or in obligations issued or guaranteed by the United States of America or any agency or instrumentality thereof or by the State of Rhode Island or as may be provided in any other applicable law of the State of Rhode Island.

SEC. 4. The City of Providence shall annually appropriate a sum sufficient to pay the interest upon the bonds issued and outstanding under the authority of this act and also to pay the principal of the bonds maturing in any such year until said bonds are paid in full. All obligations of said city which are incurred under authority of this act shall be excepted from the operation of section 45-12-2 of the General Laws of 1956.

SEC. 5. The City of Providence, acting by resolution of the city council, is authorized to apply for, contract for and expend any federal survey or planning advances or other grants or assistance which may be available for the purposes of this act. To the extent of any inconsistency between this act or any other law of this state and any applicable federal law or regulation, the latter shall prevail. Federal survey or planning advances, with interest where applicable, whether contracted for prior to or after the effective date of this act, may be repaid as a cost of the project under section 2 of this act.

SEC. 6. The question of the approval of this act shall be submitted to the electors of the City of Providence at the general election to be held in November, 1966. The question shall be submitted in substantially the following form: "Shall an act, passed at the January, 1966 session of the general assembly, entitled 'An Act Authorizing the City of Providence to Issue Bonds in the Amount of Three Million (\$3,000,000) Dollars for the modernization, construction and acquisition of land for school purposes be approved?'"
