### INVOCATION

The Invocation is given is **COUNCILWOMAN SABINA MATOS**.

"I would like to take this opportunity today to have two prayers. One, is I want to ask the Lord to bless Sergeant Sion and his family. We are so grateful that we had him with us for all this time serving the City of Providence. I want to bless him and his family moving forward and his work family that is going to be missing him. The second prayer, I just want us to remember Ms. Anna Martinez, who is a constituent from my neighborhood, that unfortunately lost her life over a year ago and they were just able to confirm her remains and her family is going through a hard time. So, I just want to ask God to give her family the strength this month. Amen."

## ORDINANCE SECOND READING

**The Following Ordinance was in City Council February 2, 2017, Read and Passed the First Time and is Returned for Passage the Second Time:**

**COUNCILMAN YURDIN, COUNCILWOMAN RYAN**

An Ordinance Amending the Code of Ordinances to Add Section 11-1.1, Entitled:  
"Harbor Moorings and Anchorages."

SECTION 1. The Code of Ordinances is hereby amended by adding Section 11-1.1 as follows:

**Sec. 11-1. - Harbormaster.**

- (a) *Appointment.* In accordance with R.I.G.L. § 46-4-2, the city council shall appoint a harbormaster for the harbor of the city, defined as all the public waters westerly of the easterly sides of the ship channels in the Seekonk River, Providence River and Harbor and Narragansett Bay from the Pawtucket-Providence city line southerly to the point of intersection of the ship-channel side with a straight line drawn from Rumstick Point on the east shore to Rocky Point on the west shore, excluding that area subject to the jurisdiction of Cranston. The harbormaster shall report to the commissioner of public safety.
- (b) *Powers and duties.* The powers and duties of the harbormaster shall include, but are not limited to, administering and enforcing the harbor management plan, enforcing all federal, state, and local laws pertaining to activity in the harbor, recommending rules, regulations, and ordinances pertaining to the harbor to the city council, serving as an ex-officio member of the harbor commission, and carrying out all other powers and duties authorized to the harbormaster under various state and federal marine laws.

**Sec. 11-1.1 Harbor Moorings and Anchorages.**

- (a) **Harbor Moorings and Anchorages Program.** There is hereby established a mooring and anchorages program for the harbor of the city, as defined in Section 11-1(a) above, to be administered and supervised by the Harbormaster.
- (b) **Definitions.** For purposes of this section, the following definitions shall apply:
  - (1) "Applicant" means a person, whether an individual, partnership or corporation, seeking to obtain usage of a mooring or anchorage pursuant to this chapter. An Applicant must own 50% or greater of the vessel which would have use of the mooring or anchorage.

- (2) “Anchorage” or “Transient anchorage” means that location and mooring tackle within the harbor available for use by transient boaters to moor vessels for up to three (3) consecutive days at a time.
- (3) “Moor” means to secure a vessel to the bottom of a waterbody by the use of mooring tackle.
- (4) “Mooring” or “permanent mooring” means that location within the harbor duly permitted by the City, by and through the harbormaster, and registered to the applicant.
- (5) “Mooring permit” means the official permit issued by the Harbormaster to allow the use of a mooring in the harbor.
- (6) “Mooring tackle” means all hardware used to secure a vessel at a mooring.
- (7) “Outhaul” means a non-single-point anchoring device, for the purpose of securing a boat in tidal waters and retrieving it from shore.
- (8) “Resident” means any permanent, full-time inhabitant of the City. In order to enable the City to comply with state law governing assignment of moorings to residents and non-residents, proof of residence shall be required at the time of application for a mooring permit and shall be established by presentation of a driver’s license or equivalent identification.
- (9) “Vessel” means every description of watercraft used or capable of being used as a means of transportation on water.

**(c) Allocation of Moorings.** Moorings shall be allocated by the Harbormaster.

- (1) Permits will be allocated each year on March 1<sup>st</sup> or, if this is deemed not practicable by the Harbor Management Commission, permits will be allocated on a date determined in a publicly noticed meeting of the Harbor Management Commission held prior to March 1<sup>st</sup>. For the purposes of this ordinance, this date shall be known as the “Allocation Date.” Each permit will be valid for a three (3) year period, provided that:
  - (i) Moorings may be occupied only during the period March 1 through November 30 of any calendar year.

- (2) All persons wishing to apply for a mooring permit shall file an application, on a form approved by the Harbor Management Commission, and obtained from the Harbormaster. Applications shall be filed by February 1<sup>st</sup>, or if this is deemed not practicable by the Harbor Management Commission, by a date determined in a publicly noticed meeting of the Harbor Management Commission held prior to February 1<sup>st</sup>. For the purposes of this ordinance, this date shall be known as the "Application Deadline."
- (3) All applications must be accompanied by a non-refundable application fee of \$25.00, payable to the City of Providence. The harbormaster shall not accept an application unless payment is rendered at the time the application is submitted.
- (4) In the event the applications for mooring permits as of the Application Deadline, as defined in subsection 11-1.1(c)(2) exceed the number of moorings available, then mooring permits shall be assigned by a lottery system, operated by the harbormaster in accordance with the following guidelines.
- i. Between the Application Deadline and the Allocation Date, the Harbormaster will conduct a lottery by which numbers will be randomly drawn to assign each applicant a position on a list. Moorings will be allocated according to the applicants' randomly drawn numbers, beginning with number 1. After all available mooring are allocated, a wait list will be developed following the same randomly drawn numbers.
  - ii. The lottery shall be held at a publicly noticed meeting of the Harbor Management Commission. Notice shall be posted in accordance with the Open Meetings Act, including but not limited to posting in the Office of the Clerk and on the website of the Secretary of State.
  - iii. Moorings shall be allocated to both residents and non-residents of the City. In accordance with the regulations of the State Coastal Resources Management Council ("CRMC"), the ratio of resident permit holders to non-resident permit holders may not exceed 3:1.
  - iv. Permits may not be transferred. If a permit holder does not wish to maintain a permit for the full three-year period, the permittee shall return the permit to the Harbormaster, who shall re-assign the permit to the next on the wait list. Should there be no wait list remaining, a special lottery will be held to re-assign the permit.

- (5) All permit holders must re-apply for a new three-year permit. Each year, the mooring allocation process set forth in this ordinance shall be repeated for any moorings unallocated from the prior year and any moorings whose three-year permit has expired.
- (d) **Forfeiture of mooring space.** Any permit holder shall be deemed to have forfeited his mooring space by reason of any one of the following:
- (1) Failure to comply with any of the requirements of this Section 11; or
  - (2) Failure to respond to the harbormaster's notice that the mooring does not comply with the mooring tackle standards set forth in the Harbor Management Plan, and any applicable state or federal regulations; or
  - (3) The mooring has been displaced or moved from its permitted location without approval, or
  - (4) Failure to display the mooring sticker on the mooring buoy, or
  - (5) Failure to resurface, repair or replace mooring tackle within 60 days after being advised to do so by the harbormaster.
- (e) **Occupancy of mooring.** No vessel shall occupy a mooring other than the one for which it has been permitted. The harbormaster shall have the authority to move or cause to be moved any vessel violating the provisions of this section, at the expense and risk of the vessel owner.
- (f) **Temporary guest use.** The holder of a mooring permit may allow temporary guest use of a mooring by a vessel other than the one permitted, provided that the following conditions are met:
- (1) The mooring owner, or his agent, must notify the harbormaster upon the vessel's arrival at the mooring.
  - (2) No guest may use a mooring for more than fourteen (14) days.
- (g) **Transient Anchorages.** The Harbormaster shall assign City-owned transient anchorages to vessels on a first to arrive basis. The maximum length of stay on a transient anchorage is three (3) consecutive days.
- (h) **Outhauls.** Any outhauls shall be subject to the regulatory jurisdiction of the CRMC.
- (i) **Fees.** The following fees shall apply:
- (1) Application fee pursuant to section 11-11.1(c) above: \$25.00
  - (2) Annual fee for three-year mooring permit: \$350.00
  - (3) Fee for use of a City-owned transient anchorage: \$75.00 per day (24-hour period).

All fees shall be payable to the City of Providence, and shall be submitted to the Harbormaster. The mooring permit fee shall not be pro-rated if a permittee returns the permit to the Harbormaster prior to the expiration of the permit, or vacates, abandons, or fails to utilize a mooring. Annual payment is due on or before issuance of a mooring permit.

(j) **Fines.** In addition to any other penalties provided for by law, the following violations shall be subject to fines for each day the violation occurs and continues:

(a) unauthorized use of a City-owned transient mooring: \$150.00 per day

(b) unauthorized use of a permitted annual-use "permanent" mooring: \$150.00 per day

Fines shall be assessed by the Harbormaster, and shall be paid to the City of Providence.

(k) **Establishment of Fund.** All fees and fines due and payable under this Section 11-1.1 shall be placed in a separate fund in the City Treasury, which is hereby established. The fund shall be used for the implementation, operation and maintenance of the moorings and anchorages programs established by this Section 11-1.1, subject to the supervision and approval of the Harbor Management Commission. All expenditures and accountings shall be made in accordance with the provisions of the City's Home Rule Charter and Code of Ordinances.

Resolution Regarding the recent Presidential Order on Immigration Policy.

**WHEREAS**, The State of Rhode Island was founded in Providence by Roger Williams, a refugee escaping religious persecution; and

**WHEREAS**, The colony established at Rhode Island was granted a charter establishing the principle of religious liberty; and

**WHEREAS**, Roger Williams established the colony in Providence based upon the norms of diversity and tolerance; and

**WHEREAS**, The State of Rhode Island has ever since been a national leader in its commitment to the values of religious tolerance; and

**WHEREAS**, In the years that followed, the State of Rhode Island has been built upon the contributions of immigrants from all parts of the world; and

**WHEREAS**, The United States of America has opened its doors to immigrants for most of its history, as expressed in the Emma Lazarus poem "the New Colossus" which is inscribed on a plaque inside the pedestal of the Statue of Liberty in New York Harbor, the gateway for millions of new Americans; and

**WHEREAS**, President Trump signed an Executive Order on January 27, 2017 which purports to reduce by half the annual allowance of refugee admissions; and

**WHEREAS**, The Executive Order also purports to impose a temporary ban upon the lawful entry of all immigrants from seven Middle Eastern countries based on the claim these countries presented a special risk of terrorism, even though immigrants from these countries already are subject to rigorous oversight prior to admission into the United States; and

**WHEREAS**, The list of seven countries is arbitrary, as it does not for example include the countries from which the September 11 terrorists came; and

**WHEREAS**, The Executive Order also gives a preference in admissions for non-Muslims from these seven countries; and

**WHEREAS**, The executive order will incite confusion and opposition to America among Muslims who otherwise would be inclined to support this country in the war against terror; and

**WHEREAS**, Four federal courts already have issued stays of the Executive Order based on legal challenges.

**NOW, THEREFORE, BE IT RESOLVED**, That the Providence City Council hereby states its strenuous opposition to the President's executive order of January 27, 2017 regarding immigration.

**BE IT FURTHER RESOLVED**, That the Providence City Council hereby opposes future initiatives to reduce the entrance of refugees or use a religious test to govern immigration policy.

## PERSONAL EXPRESSION

**COUNCILMAN NARDUCCI Requests the privilege of the floor to speak on a Point of Personal Expression and states:**

**“I don’t know how many of you watched the 10:00 o’clock news last night, but I really want to commend the City of Cranston for re-issuing the ordinance on panhandling and sending a clear message that they will be enforcing the ordinance. As most of you are aware of, I was very strong in getting the ordinance here in our city also. We, as the City Council, passed it and then it was said that they would not be able to enforce it, our officers were told not to enforce it. I foresee our problem now getting even worse because if they know they can’t do it right over the line in Cranston, that’s more panhandlers that are going to end up working their way towards the Providence line. So, I will be urging very shortly, in the near future to re-visit our ordinance and to make sure that when we, as a City Council, say that if we pass an ordinance that it does get enforced, because it’s creating more and more issues in our communities. I know I see it on the on ramps and off ramps on the highways in my area. As a matter of fact, now we even have them standing in the Home Depot parking lot right at the exit and entrance of Home Depot. We have them standing at McDonald’s Plaza on Branch Avenue right there in that parking lot. It’s just a very unsafe situation, and if I’m not mistaken, I think almost everybody supported that ordinance here in the Council Chambers. So, I look forward to representing that ordinance and to make sure that the ordinance gets enforced. Thank you, Mr. President.”**
