We, the undersigned residents of Lyon Court and Kenyon Street wish to protest the NO PARKING BETWEEN SIGNS regulation on the southerly side of Kenyon Street opposite Lyon Court. The residents are being tagged frequently in the area, and we feel there is no justification for these signs. There is enough room to maneuver in and out of Lyon Court.

Mayor Vincent A. Cianci, Jr.
City Hall
City of Providence, Rhode Island

Dear Mayor Cianci:

The people of Federal Hill who's names appear on this list feel that your Administration is being unfair.

A petition was signed a few months ago by some 18 residents of the immediate area of Kenyon Street and Lyon Court to remove street signs (no parking between signs).

After an investigation by the Traffic Engineering Department was completed, they were convinced that these signs were not needed and they removed them. Approximately one month later these same signs went back up again. We have reason to believe that this order came from the Mayor's outside office.

If a petition means nothing on Kenyon Street and Lyon Court what chance do the rest of us have?

Please restore good government in our minds and prove to us that your Administration is fair.

Thank you,

From all of us
