Subject: Abandonment of parts of Fones Alley and  
DeFoe Place.

Mr. Ralph Matera,  
Chairman,  
Public Works Committee.

Dear Sir:

The parts of Fones Alley west of the westerly line of DeFoe Place to Waterman street and DeFoe Place south of the southerly line of Fones Alley to Waterman street are narrow unimproved streets, which probably would never be received and built.

Under these circumstances, this department favors the granting of the petition to abandon the above named parts of Fones Alley and DeFoe Place.

**SUBJECT: REFERRAL NO. 683 - ABANDONMENT OF FONES ALLEY AND DEFOE PLACE**

**Gentlemen:**

The subject referral received consideration by the City Plan Commission on a telephone poll today, January 25, 1955.

This referral is a request for the abandonment of the part of Fones Alley west of the westerly line of DeFoe Place to its westerly end at Waterman Street and of the part of DeFoe Place south of the southerly line of Fones Alley to its southerly end at Waterman Street.

The petitioner states that it owns all adjoining land on both sides of said parts of Fones Alley and DeFoe Place with two very minor exceptions, and that the owner of one of these two parcels has agreed to sell her parcel to the petitioner and the owners of the other parcel have given their approval of the petition. Therefore, the streets do not appear to be needed for providing access to abutting property.

The abandonment of said parts of Fones Alley and DeFoe Place will still permit circulation of vehicles on the remaining portions of these streets to serve rear entrances and will enable the petitioner to integrate the abandoned portions in its projected development.

Since the abandonment of these streets will not conflict with any plans of the City, and on the assumption that the other abutters do not, in fact, object

Committee on Public Works,  
City Hall,

Dear Sir:

Re: Abandonment of Aster Street, from  
West Park Street approximately  
100 feet northerly.

Aster street is 40 feet wide and laid out to connect  
West Park Street and Jewett Street.

The abandonment of a portion of the street would  
create a dead end which would require a barricade.

We do not know of any good reason why this section  
of Aster Street should be abandoned, but are of the opinion  
that the street should be curbed and built from West Park  
Street to Jewett Street.

Very truly yours,

John E. Meade
