**Subject:** Public Hearing on Downcity Ordinance

It is my legal opinion that, since the effective date of the Downcity Ordinance is prescribed in Section 6, which is not a part of the ordinance itself, that there is no obligation to conduct a public hearing on this matter. Therefore, it is in a position to be voted out of Committee and heard by the Council in order for the change in the effective date to be in place prior to the expiration date of the original ordinance.
