DO YOUR EMPLOYERS FURNISH YOU WITH THE LATEST EDITION OF THE CITY DIRECTORY?

You need it at your elbow at all times, to protect your company from forgers and bad-check artists. A few questions, checked against City Directory information, will trip them at once. Intelligent use of the City Directory for this purpose has saved thousands of dollars and helped make some cities "too sharp" for bad-check "operators."

A GOOD RULE – SEE OLD COLONY FIRST

For Saving and Home Financing

FEDERAL SAVINGS AND LOAN INSURANCE CORPORATION — SAFETY OF YOUR SAVINGS INSURED UP TO $10,000.

OLD COLONY 12 Point MORTGAGE PLAN

Liberal-Dividend Savings Plans For All Your Needs

MONTHLY SAVINGS help you save systematically for any long-range purpose — college expenses, travel, retirement, the down-payment on a home, and so on.

CONVENIENCE SAVINGS enable you to save any amount at any time to meet periodic needs for "ready cash" — vacations, taxes, insurance, emergencies, etc.

INCOME SHARES are a profitable "income investment" for lump sums, available in multiples of $100. Dividend checks are mailed to you every 6 months.

PRE-PAID SHARES are a safe "growth investment" for reserve funds. Semi-annual dividends automatically added to your account build each $75 up to $100.

IN ALL PLANS, your savings earn generous semi-annual dividends, and are insured up to $10,000.

Low-Cost Financing To Buy, Build, or Repair Your Home

THE 12-POINT MORTGAGE PLAN

When you buy a home, you make a reasonable down-payment, then repay your mortgage loan monthly, like rent. Liberal loan periods are from 10 to 20 years. The low interest rate is further lowered by reductions of ½% each at stated intervals.

When you build, Old Colony advances funds as construction progresses. No monthly payment on principal is required until you move in, if this is within 6 months of the date of the mortgage.

A 12-Point Mortgage cannot be called while your monthly payments are up to date.

F.H.A. HOME REPAIR LOANS

These loans for home repair and improvement are repaid in regular monthly installments over a 12-to-36-month period.

FACTS!!

ABOUT CITY DIRECTORY CIRCULATION

The true value of advertising circulation is circulation consulted — "User Circulation."

To be exact by actual survey in twenty-four average American cities, by actual count, each City Directory averaged three and one-half consultations for each business day.

To be conservative we will eliminate the sixty Sundays and Holidays when no tests were made.

For every thousand Directories sold there is an average of three and one-half daily consultations for each book for three hundred and five days, therefore —

1000 x 3½ x 305=**1,067,500**

Consultations or "User Circulation"

The City Directory offers the most Specific Point of Contact Advertising Known
