CHAPTER 2003-46

No. 559

AN ORDINANCE

AMENDING ARTICLE II OF CHAPTER 9
OF THE CODE OF ORDINANCES
ENTITLED "FIRE PREVENTION AND
PROTECTION"

Approved August 1, 2003

Be it ordained by the City of Providence:

SECTION 1. The Code of Ordinances of the City of Providence is amended by adding the following section:

SECTION 9-45. Fire Prevention Inspection Fees.

The Fire Department shall assess an inspection fee of one hundred dollars (\$100.00) per inspection for any inspection performed by the Department pursuant to sec. 9-33, 9-34, 9-35, 9-36 of the Providence Code of Ordinances or any provision of the state fire code including any rule or regulation of the state fire marshal. In the case of any commercial, industrial, manufacturing, educational, religious or governmental use, the fee shall be payable by the licensee of the property inspected if the occupant of the property inspected holds any license issued by the Board of Licenses, otherwise the fee shall be payable by the lessee of the property inspected or, if none, then by the owner of the property. In the case of any residential property, the fee shall payable by the owner of the property.

The fee shall be waived if, after inspection, no violation of any provision of the Providence Code of Ordinances or the state fire code including any rule or regulation of the state fire marshal has been found. Each subsequent re-inspection shall constitute an inspection for which a separate fee of \$100.00 shall be payable. The foregoing fee waiver provision shall not apply in the case of any inspection required for the Board of Licenses for the issuance or transfer of any license under its jurisdiction. No inspection fee shall be assessed against the City of Providence, or any department, board, or commission thereof.

Section 2. This Ordinance shall take effect upon passage.
