June 11, 1973

The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

Gentlemen:

The Traffic Engineering Department has received your resolution and has made the following disposition:

Request: To cause the installation of a vehicular traffic signal light at the intersection of Public Street with Plain Street.

Disposition: Our traffic surveys indicate a need for a traffic signal at this time, however, our budget allotments do not cover the installation of any new traffic signals. We will, however, place this intersection on the next Federal project opened in this area.

Very truly yours,

A handwritten signature in cursive script, reading "Frank A. Tibaldi".

Frank A. Tibaldi
Traffic Engineer

FAT/it

Department of City Clerk
