PETITION TO THE CITY COUNCIL

TO THE HONORABLE CITY COUNCIL OF THE CITY OF PROVIDENCE:

The undersigned respectfully petitions your honorable body

May 31, 1996

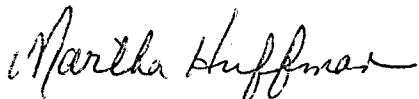

Dear City Council Members:

Providence Washington Insurance Companies, owners of One Old Stone Square on South Main Street in Providence (adjacent to the new Memorial Park) petition the City Council to pass a resolution endorsing a name and address change for the property. We propose to change the building name to Providence Washington Plaza and the address to One Providence Washington Plaza.

As owners of One Old Stone Square, we are eager to raise awareness of the property and our headquarters location within the facility -- hence the need for the new name. Although we have owned the building since ¹⁹⁹¹~~1989~~ and have had our corporate headquarters here since 1992, many people think Providence Washington is still located in our previous address at 20 Washington Place. By changing the name, we will quickly educate the entire community of our dual role as landlord and tenant.

Providence Washington Insurance Companies is embarking on a new marketing campaign to position Providence Washington Plaza as the corporate address of choice in Providence. Our campaign will begin once we receive formal approval of the name and address change. Your prompt expedition of this matter would be greatly appreciated. Please feel free to contact me at 453-7123 with any questions. Thank you for your consideration and I look forward to hearing from you.

Sincerely,

Martha Huffman

Dear Councilwoman DiRuzzo:

We are in receipt of a request from Erickson Public Relations which has been retained by the Providence Washington Insurance Companies regarding a marketing campaign to secure Providence Washington Plaza as the the new corporate address of choice for the Old Stone Square Building, South Main Street in our great City.

As you are well aware, we as law enforcers have been working in partnership with community members and groups in an effective and productive way of addressing community needs and problems. These partnerships are among the most promising assets available in the ongoing struggle against violence and crime.

With this in mind, we enthusiastically support the Providence Washington Insurance Companies effort to seek a name change to their headquarters building that would be most conducive and fitting.

Sincerely,

URBANO PRIGNANO, JR.
