Dear Ms. Mendonca:

The State Traffic Commission, at its meeting of June 27, 1990, has denied your request to install ONE HOUR PARKING signs in the vicinity of 1086 Smith Street in the City of Providence.

A field review has indicated that TWO HOUR PARKING is presently permitted in this area, where a doctor's office is located. It was felt that more than one hour may be required, by many of the patients, for parking.

Moreover, if parking is being monopolized by students from LaSalle Academy, this must occur for the better part of a day's duration. In this case, if the TWO HOUR PARKING signs are not being enforced, a change in parking duration will not alleviate the problem.

Very truly yours,

STATE TRAFFIC COMMISSION
