Providence City Hall

Dear Councilwoman DiRuzzo:

This letter will serve to respond to your October 24, 1989 letter regarding the proposed resolution that the address of 2 Brookway Road be changed to 271 Blackstone Boulevard.

As a rule, the Postal Service discourages such changes, as they impact negatively on our mail processing and delivery capabilities. This is due in part to the reluctance of the affected customers to notify all their correspondents of their new address.

In this instance as there are no other residents or businesses affected by this change, we recommend approval of this resolution.

I would like to express my appreciation for your notifying the Postal Service of the proposed resolution for the city, and I hope our input is of assistance to you and the City Council in making a decision. If it would be beneficial, we would be more than willing to sit down to discuss this or any other address issues with you or members of your committee.

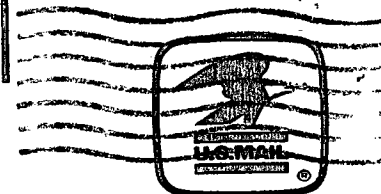

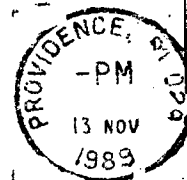

Sincerely,
