Attention: Michael Clement

Subject: Referral No. 2079 - Proposed Zone Change from R-4 to M-1  
for Lots 268 and 120 on A.P. 96

Gentlemen:

The City Plan Commission, at its May 3, 1983 regular monthly meeting, reviewed and evaluated the subject referral which contained a request by John Biafore, attorney for the AEC Realty Company at 396 Manton Avenue for rezoning of the subject lots from R-4 Multiple Dwelling Zone to M-1 General Industrial Zone.

A field inspection revealed that Lot 268 is located at the corner of Dearborn Street and Manton Avenue. It contains 5,543 square feet of land and a one story masonry structure which is occupied by a metal shop in good condition. Lot 120 is located at Dearborn Street and is adjacent to Lot 268. It contains 25,771 square feet of land and is used for open storage of gas containers and tank providing for welding and cutting. There are residential properties adjoining the subject lots and fronting along Manton Avenue in good to excellent condition. There are two industrial uses (dairy and jewelry mfg.) within the existing M-1 zone across Dearborn Street. From a planning point of view this proposal is not a proper extension of an M-1 District. Rather, it represents an intrusion of industrial uses in a residential area. The proposed zone change would have a detrimental effect on the surrounding residential properties.
