# RESOLUTION OF THE CITY COUNCIL

No. 193

Approved April 12, 1966

WHEREAS, Chapter 40 of the Public Laws of Rhode Island, 1965, authorizes the City of Providence to acquire by purchase or by the exercise of the power of eminent domain such land, water rights, easements or other property, or interest in property, public or private, in the Towns of Scituate and West Warwick and the City of Cranston as the City Council of the City of Providence determines necessary or desirable for the location, construction, maintenance, operation and repair of an aqueduct, aqueducts, tunnels, water pipes and their appurtenances and for ways and rights-of-way to such land from the nearest highways and for executing the work at, adjoining or near the portals and shafts of any tunnel construction designed as part or parts of such aqueduct, including the removing and disposing of surplus earth and materials, and

WHEREAS, the provisions of said act vested in the City Council of the City of Providence the determination of whether any such taking (by the exercise of the power of eminent domain) shall be in fee simple or a lesser estate or easement, perpetual in duration, and

WHEREAS, the Chief Engineer of the Water Supply Board, in accordance with the provisions of said act, has indicated that the acquisition of certain land, or other real property, or rights or easements therein, located in said towns and city, is necessary or advantageous for the purposes set forth in said act and has, with the approval of the Water Supply Board, recommended the acquisition thereof by the exercise of the power of eminent domain, and

WHEREAS, in such circumstances, by the provisions of said act the city council may authorize the acquisition thereof.

NOW THEREFORE BE IT RESOLVED, that pursuant to the provisions of Chapter 40 of the Public Laws of Rhode Island, 1965, the acquisition of the land, hereinafter described, in fee simple absolute, or in such lesser estate, right or easement, as hereinafter described, by purchase or by the exercise of the power of eminent domain, for the purposes set forth in said act, is necessary and in the public interest and condemnation proceedings for the acquisition thereof by the City of Providence are hereby authorized, and

SUPPLEMENTARY TO RESOLUTION NO. 714  
RESOLUTION

OF THE

To the Honorable City Council  
of the City of Providence

Gentlemen:

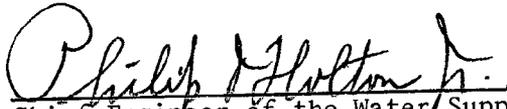

Pursuant to Chapter 40 of the Public Laws of Rhode Island, 1965, the undersigned, Chief Engineer of the Water Supply Board of the City of Providence, hereby declare that it is my opinion that it is necessary and advantageous for the City of Providence, for the purposes set forth in said act, to acquire supplementary land or other real property in fee simple or such lesser estate, including easements, perpetual in duration, in addition to that which was detailed in our letter of October 22, 1965, as this Honorable Body may hereafter determine in the Towns of Scituate and West Warwick and I do hereby recommend the acquisition of these supplemental properties thereof by the exercise of the power of eminent domain.

A description of the supplemental parcels of land which I believe it necessary for the City of Providence to acquire in fee simple estate, or otherwise, are identified and numbered on the plan attached hereto and made a part hereof by reference, prepared under the direction of the Water Supply Board by Charles A. Maguire & Associates, engineers, and consists of 3 sheets firmly bound. A metes and bounds description of each parcel is also attached hereto and made a part hereof by reference.

I recommend that the City of Providence acquire a fee simple title in parcel numbered 1598-S as shown on said plan. I recommend that as to the remaining parcel of land shown, identified and numbered on said plan, the City of Providence acquire an easement, perpetual in duration, granting to it the right to locate, lay, build, operate, maintain, repair and renew an aqueduct or aqueducts, tunnels, water pipes and their appurtenances at such depths as the City of Providence may determine in, through, under and along said land and real property, together with the right on the part of the City of Providence, its servants, agents, officers and employees, to enter at all reasonable times upon said land or real estate with such tools, trucks, motor vehicles and other appliances as may be necessary to build, rebuild, lay, operate, maintain, repair, inspect or renew said aqueduct or aqueducts, tunnels, water pipes and their appurtenances and specifically denying to the owners of said land and real property the right at any time to build any structure or

structures upon said land or real property, together with the right in the City of Providence to remove or have removed from said land or real property any structures located thereon or which may be located thereon at any time in the future. I estimate the cost of said acquisition at \$1,000 and recommend an appropriation to be made for said purpose.

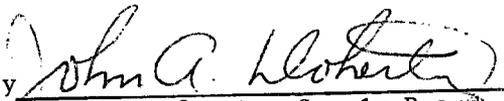

Respectfully submitted,

  
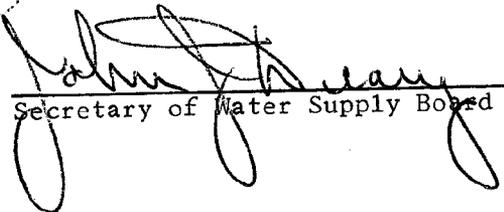

Chief Engineer of the Water Supply Board of the City of Providence

The aforesaid declaration and statement of the Chief Engineer of the Water Supply Board was submitted to said board for approval on the 1st day of April, 1966 and said board, at a meeting duly held on said date, unanimously approved and endorsed said declaration and statement, all as appears in the records of the Water Supply Board.
