Dear Mr. Clement:

Johnson & Wales University is once again preparing to experience our annual September influx of students. With the beginning of the new school year, we expect that approximately 1,400 students will be moving into our residence halls in downtown Providence and we are in need of your assistance.

~~On Saturday, September 1, 2001 from 6 a.m. to 6 p.m., we would like to request that traffic be restricted on Pine Street to one lane from Dorrance Street to Page Street and that Page Street be closed entirely to outside traffic.~~ Our staff will be assisting students and parents to expedite the moving-in process. We will also require traffic detail along Weybosset, Pine, and Claverick Streets.

The residence halls located in downtown Providence are: *Xavier Hall* on Broad Street at Claverick; *McNulty Hall* at 101 Pine Street; *Snowden Hall* at 32 Page Street; *Renaissance Hall* at 101 Cedar Street; *Imperial Hall* at 15 Hospital Street; and, on the east side of Providence, *Minden Hall* on Waterman Avenue. I have enclosed a list of our key security and student life staff that you can share with appropriate members of your department.

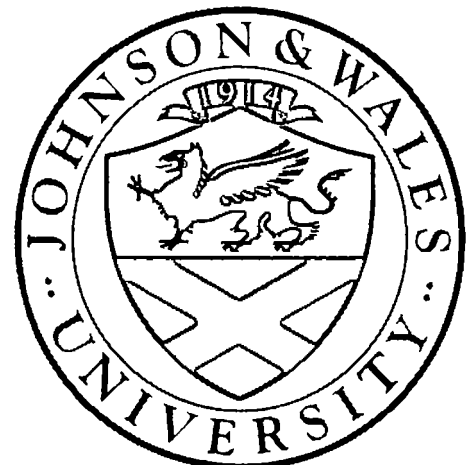

We want our students' first introduction to the City of Providence to be a positive one. The moving in process has always gone smoothly with your assistance, and we would like to continue with that tradition again this year.

Thank you for all of your help.

Sincerely,

John J. Bowen '77
