## PERSONAL PRIVILEGE

**COUNCILMAN CLARKIN Requests and is Granted the Privilege of the Floor and Speaks on a Point of Personal Privilege as follows:**

"Tonight, at 5:30 before the Council Meeting, four blocks from my house, a man was beat up and his car windows were smashed, a crowd of about 80 people gathered. And, at one of my first City Council meetings, this City Council passed an Ordinance that approved walking police officers in the neighborhood.

The response time of the Providence Police is very good, but I do not want them to just respond, I want them to prevent the crime in the neighborhood.

I, myself have been patrolling the neighborhood before I go to bed at night at 1:00 o'clock or 2:00 o'clock in the morning and when I call the police, the response time is within 2 to 4 minutes and I have no problem with that, but I would like them to be there walking in the neighborhood, preventing crime, rather than responding to it."
