Re: Squanto Street

Gentlemen:

Per your memorandum of August 21, 1984, requesting a cost estimate for abutting property owners in connection with the construction of a main drain or common sewer in Squanto Street, attached find a plan showing "Proposed Six-Inch Sewer" in said street.

You will note that the sewer assessment is also incorporated in the plan. Lots 14, 15 and 20, will be assessed \$130 each.

If you have any further questions regarding the construction and assessment of said six-inch proposed sewer, please do not hesitate to contact this office.

Sincerely,

Alexander A. Scungio
