Public Works Committee  
City of Providence Council  
Providence, Rhode Island  
Gentlemen:

The portion of Bissell Street between Stamford Avenue and the westerly line of the proposed Subdivision in Roger Williams Park is a platted street. It is approximately sixty (60) feet long and is not received as a city street. The only lots abutting this street also abut Stamford Avenue.

I recommend that it be abandoned as a street and the area incorporated in the adjacent lots on either side of Bissell Street.

Yours very truly,

*Robert B. Strong*  
Robert B. Strong,  
Director of Public Works
