MEMORANDUM

DATE: March 11, 1991

TO: B. James Suzman, Traffic Engineer

SUBJECT: VARIOUS TRAFFIC MATTERS

CONSIDERED BY: Committee on Public Works

DISPOSITION: Attached are copies of the subject Resolutions for your study and report back, in writing, to the above named Committee, as soon as practical, relative to Irving Avenue, Gulf Avenue, Congress Avenue and Melrose Street - Four Way and Babcock and Broad Streets, Traffic Signal Lights.

First Deputy

City Clerk

TO: Committee on Public Works
FROM: B. JAMES SUZMAN
IRENE J. TESTA
DATE: April 9, 1991
RE: PENDING MATTERS

Request: To establish Ship Street as a one-way street in an easterly direction between Elbow Street and Richmond Street.

Disposition: Granted.

Request: That Gulf Avenue and River Road be closed to vehicular traffic.

Disposition: Granted.

Request: That the Traffic Engineering is requested to invoke 15 mile per hour speed zone along River Road from Irving Avenue to Angell Street.

Disposition: No objection, however, the City Solicitor should be contacted for a legal ruling on posting speed limits less than the 25 MPH limit on a public right-of-way.

Request: That the Traffic Engineer is requested to cause the installation of traffic signal lights at the corner of Babcock Street and Broad Street.

Disposition: The intersection of Broad Street and Babcock Street meets the minimum warrants for the installation of a traffic signal control in accordance with those warrants established in the Manual on Uniform Traffic Control Devices. Monies have been requested in Fiscal '92 budget requests for the installation of this traffic signal.

Request: That the Traffic Engineer is requested to cause the installation of four-way stop signs at the intersection of Congress Avenue and Melrose Street.

Disposition: Granted. This intersection meets the warrants for a 4-way stop control in accordance with the MUTCD.
