Good Afternoon Bill,

If you recall when this request was originally proposed, there was some question as to whether the Fire Department had signed off on this. I just wanted to confirm that we've got things ironed out for tonight's committee meeting?

Please let me know. Thank you,
Will

Hi Chief,

I had wanted to reach out to you regarding a resent City Council request for a one way. The request reads "to cause Pleasant Valley Parkway from Rosebank Avenue to Fallon Avenue to be established as a "One-Way."

I had wanted to check to see if this would have any implications on the PFD/EMTs...

Please let me know Thank you.

RE: Pleasant Valley Parkway Conversion to One-Way Traffic Rosebank Avenue to Fallon St.

Dear Anna:

Can you please put on the agenda for the next city council meeting the proposal to convert Pleasant Valley Parkway from Rosebank Ave. to Fallon Ave. to two-way traffic. We are attempting to bid this project in late July of this year, so if this can be put on the next full city council meeting agenda it would be appreciated. We hope to obtain final full city council approval in mid July to stay on our schedule for bidding the project. If it is not reasonable to meet this schedule please contact me.

Please call with any questions or comments.

Very Truly Yours,

Date: October 9, 2012, rev'd Oct. 10, 2012
Re: **October 10, 2012 Agenda Items**

<i>Agenda Item</i>	<i>Department Response</i>
1. Petition from Alain Noiset, Olneyville Housing Corporation, requesting an easement to modify the steps located at 63 Kossuth Street.	This department has no objections
2. Petition from Jason Yau, Asian Palace, 1190 North Main Street, Providence, Rhode Island 02904, requesting to abandon Caroline Street beginning at North Main Street and ending at Nashua Street.	This department has no objections
3. Resolution Requesting the Traffic Engineer to cause Thayer Street to become "One Way" in a southerly direction from Waterman Street to George Street.	This department has no objections; however the Fire Department has expressed reservations.
4. Resolution Requesting the Traffic Engineer to cause Pleasant Valley Parkway from Rosebank Avenue to Fallon Avenue to be established as a "One-Way."	This department has no objections
5. Resolution Requesting the Acting Traffic Engineer to cause the installation of a "10 Minute Parking Limit" Sign at ABD Mart located at Mount Pleasant Avenue and Chalkstone Avenue.	"15 Minute Parking Limit" signs have been installed at this location after consultation with the Councilman.
6. Resolution Requesting the Acting Traffic Engineer to cause the installation of a "Dead End" Sign at Manton Court.	This work was completed on June 14, 2012.
7. Resolution Requesting the Traffic Engineer to cause the installation of a "Handicap" Sign located in front of 40 Leah Street.	There is NO PARKING in front of this residence and the house has a driveway. This request has been denied.
8. Resolution Requesting the Traffic Engineer to cause the installation of "25 MPH Speed Limit" Signs along Edgemere Avenue.	This work was completed on September 6, 2012.
9. Resolution Requesting the Traffic Engineer to cause the installation of "Slow Children" Signs along Edgemere Avenue.	This work was completed on September 6, 2012.
10. Resolution Requesting the Traffic Engineer	A study will be performed to determine if this is

11.	Resolution Requesting the Traffic Engineer to cause the installation of "Four-Way Stop" Signs at the intersection of Priscilla Avenue and Dora Street.	A study will be performed to determine if this is the appropriate solution to the problem at this location.
12.	Resolution Requesting the Traffic Engineer to cause the installation of "Four-Way Stop" Signs at the intersection of Wallace Street and Whitehall Street.	A study will be performed to determine if this is the appropriate solution to the problem at this location.
13.	Resolution Requesting the Traffic Engineer to cause the installation of traffic signage along Sherwood Street.	Further clarification is requested to identify the type of signage requested.
14.	Resolution Requesting the Traffic Engineer to cause the installation of ADA (Americans with Disability Act) signage in front of 53 Meridian Street.	Presuming this request is for the installation of "handicapped parking only" signs, this will be addressed in accordance with existing policy
15.	Resolution Requesting the Traffic Engineer to cause the implementation of a "Two-Way" traffic study along O'Neil Street.	A study will be performed to determine if this is the appropriate solution to the problem at this location.
16.	Resolution Requesting the Traffic Engineer to cause the implementation of a traffic study along Enfield Avenue.	A study will be performed to determine the appropriate solution to the problem at this location.
17.	Resolution Requesting the Traffic Engineer to cause the installation of a "Handicap" Sign located in front of 62 Osborn Street.	An investigation will be to determine if this is feasible.
18.	Resolution Requesting the Traffic Engineer to cause the implementation of a traffic study within the proximity of Douglas Avenue at Filmore Street within the immediate vicinity of Times Square Academy and report such findings to the Committee on Public Works in an effort to address serious changes in the traffic pattern that has occurred.	A study will be performed to determine what is the appropriate solution to the problem at this location.
19.	Resolution Requesting the Acting Director of Public Works to cause the installation of a curb cut in front of the front door at Center Place located at 50 Park Row West.	An inspection was made at this location. Presently there are handicapped ramps at the corners of this building. The sidewalk at this location is integrally cast with the structural deck of the parking garage located below and the installation of an additional handicapped ramp would necessitate the services of a specialty contractor. A source of funding must be identified to complete this work.

Petition for Safety Changes to Pleasant Valley Parkway

We the concerned neighbors of Pleasant Valley Parkway would like to see these safety changes made to the Parkway.

- 1.) Create two traffic islands, one at the intersections of Fallon St. & The Parkway & another at Rosebank Ave. & The Parkway.
- 2.) Create a pedestrian/bike lane by stripping street pavement
- 3.) Install proper signage & add striping at intersections & along the paved street.
- 4.) Implement a one way traffic pattern along the sections starting at Rosebank Ave to Fallon St & around to Rosebank Ave.
