Re: Amendment to Official Redevelopment  
Plan - Willard Center Unit Two Project

Dear Sir:

According to the attached letter from Mr. Pallozzi, a proposed amendment from the Redevelopment Agency requesting City Council action on permitting the Neighborhood Facility in the Willard Center Unit Two Project was submitted on August 5, 1971.

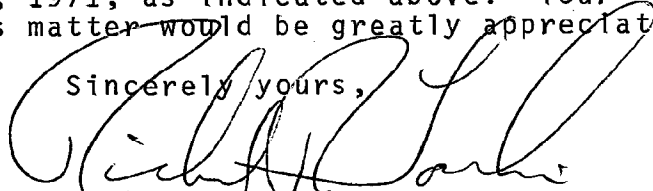

To date it is my understanding that no action has been taken on this proposed amendment. It is requested that the City Council be made aware of this amendment, and that some action be taken as soon as possible. Since the Federal government has reserved funds to convert the shopping center into a Neighborhood Facility, no action can take place until the City Council has approved the pending amendment.

In addition, I have also requested the Providence Redevelopment Agency to approve the utilization of a portion of the South Providence Playground for parking purposes in support of the Neighborhood Facility. Their position as stated on the attached letter is that no action can take place on this latest request

until such time as the City Council has approved the proposed amendment submitted August 5, 1971, as indicated above. Your cooperation in resolving this matter would be greatly appreciated.

Sincerely yours,

Dear Mr. Torchia:

The Redevelopment Agency's records reveal that the proposed amendment to the above referred to Plan to allow for a neighborhood facility center was introduced at the August 5, 1971 City Council Meeting and thereon referred to its Committee on Urban Redevelopment, Renewal & Planning wherein it presently sits.

Approval of your recently requested amendment to said Plan providing for parking for the neighborhood facility can not receive Agency consideration until the Council approves the aforesaid amendment in Committee.

Sincerely yours,
