Dear Mr. Beatini:

Concerning the Resolution of the City Council--
that the Director of the Department of Public Property
is requested to cause the replacement of playground
equipment, in the Tot Lot located along Bath Street,
which has been damaged.

Improvements have been started in repairing of
gates and fencing surrounding Tot Lot area. Further
improvements will be made regarding replacement and
addition of damaged playground equipment.

Respectfully yours,

Alfred Conca Jr.

Dear Mr. Beatini:

Concerning the Resolution of the City Council--
that the Director of Public Property cause the
installation of a Water Bubbler at the Number Two
Diamond located in Neutaconkanut Park.

Installation of A Water Bubbler was completed
two years ago at Number One Diamond, located approx-
imately three hundred feet from requested site, there-
fore providing drinking facilities for both areas.

A price estimate for material and installation
to install Water Bubbler at requested area will be
conducted by my office.

Respectfully yours,

RESOLUTION OF THE CITY COUNCIL

No. 361

Approved October 5, 1970

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Department of Building Inspection subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated and further provided that the Director of the Department of Building Inspection may authorize minor changes in the structural detail of plans on file, viz:

The Atlantic Richfield Company, 205 Meeting Street, Providence, Rhode Island, Lot 296, Plat 10, install Three Six Thousand Gallon Gasoline Storage Tanks; One Five Hundred Fifty Gallons of Fuel Oil; One Five Hundred Fifty Gallon of Waste Oil, making a total storage capacity of Nineteen Thousand Gallons upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Director of Department of Building Inspection, or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.
