Councilman John Igliozi  
Providence City Hall  
Dorrance Street  
Providence, Rhode Island 02903

Dear Councilman Igliozi,

As you know I was nominated by you and appointed by Providence City Council to the Providence Truancy Board in the spring of 1999. Unfortunately since that time my employment situation has changed and if I were to remain on the Truancy Board I would be unable to commit the time necessary to serve the City or the children properly. Therefore, it is with deepest regret that I inform you that I am resigning from the Truancy Board effective immediately.

As an original member of the Truancy Boards I am proud of the work that was accomplished establishing guidelines and rules for the board. I am even prouder of the work we did with the children and the response that we received from them when they came before board. It was truly a humbling and rewarding experience and I thank you for giving me that opportunity.

If I can be of any assistance in your search for a replacement for me please don't hesitate to call.

Very truly yours,

*George S. Farrell*
