

THE CITY OF PROVIDENCE  
STATE OF RHODE ISLAND AND PROVIDENCE PLANTATIONS

# RESOLUTION OF THE CITY COUNCIL

No. 451

Approved July 12, 1957

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 5: Ralph, Anthony and Gennaro Lombardi, 1010 Chalkstone Avenue, Plat 65, Lot 345, 1-4,000 gallon gasoline storage tank additional, making 12,000 gallons total storage capacity upon the premises.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

# RESOLUTION OF THE CITY COUNCIL

No. 452

Approved July 12, 1957

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 6: Paul and Carmela Fera, 1081 Atwells Avenue, Plat 95, Lot 661, 1-3,000 gallon gasoline storage tank, making a total storage capacity of 13,000 gallons upon the premises; and two gasoline filling pumps, making a total of four filling pumps in all.

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.

# RESOLUTION OF THE CITY COUNCIL

No. 457

Approved July 12, 1957

Resolved,

That

the following named person, firm or corporation is hereby granted permission to erect, alter or use a building or structure at the location named herein for the sale of petroleum, kerosene, gasoline, coal oil and their products, compounds and components as described and shown in and on the application therefor and accompanying plat, all on file in the office of the Inspector of Buildings subject to the conditions that said person, firm or corporation shall not violate any of the laws of the State of Rhode Island or any of the Ordinances of the City of Providence relative to the erection, use or occupation of said structure and that said person, firm or corporation shall not allow petroleum, kerosene, gasoline, coal oil or their products, compounds or components, to be conveyed over or across any sidewalk by means of any pipe or hose, and upon such special conditions as are hereby enumerated, viz:

Ward 10: Providence Gas Company, Gulf Oil Corporation, lessee, 642 Terminal Road, Plat 56, Lot 5, 2-20,000 gallon, 1-211,680 gallon, and 1-126,000 gallon kerosene storage tanks, making a total storage capacity of 3,640,680 gallons upon the premises.

3000 010

The erection or location of any buildings or structures not shown on the original plat on file with the Inspector of Buildings or any change in the location of buildings or structures from that shown on said plat shall be deemed a violation of this permit.
