Mr. Charles F. McElroy  
Director of Public Works  
City Hall  
Providence, Rhode Island

Dear Mr. McElroy:

This will serve as a letter of understanding concerning the construction of a certain pedestrian-utilities tunnel by us under Lockwood Street in the City of Providence. We understand that the sewer department desires to be notified at such time as the contemplated construction involves the existing sewer line. To this end we have instructed our architects and engineers, Shepley, Bulfinch, Richardson & Abbott, to be sure to give ample notice to the sewer department so that their inspector can be present at such time or times as work effecting the main is in progress.

We wish to assure you of our intention to cooperate with your office in every way.

Very truly yours,
