Station Plaza Assoc., L.P., its successors and assigns, agree that this property will be subject to taxation at the expiration of the tax treaty. The Union Station Plaza Assoc., L.P. also agrees not to transfer the property to a tax-exempt entity or to allow any transfer by any subsequent transferee to a tax-exempt entity during the term of the tax treaty. The Union Station Plaza Assoc., L.P. is also required as a condition precedent to this tax treaty to record notice of the requirement that the property covered by this Ordinance be transferred only to a tax paying entity, as set forth herein in the Land Evidence Records of the City of Providence. Notwithstanding this provision, in the event that the tax exempt successor to the property does not make the payments under the tax treaty, The Union Station Plaza Assoc., L.P. will be responsible to make payments in lieu of taxes to the City of Providence in the amounts set forth in the attached schedule. In the event a transfer is made to a tax-exempt successor, Union Station Plaza Associates, L.P. or any subsequent transferee shall give the City of Providence one hundred and twenty (120) days notice of said transfer prior to execution of a purchase and sales agreement. In the event that the property covered by this Ordinance is transferred to a tax-exempt entity, whether by The Union Station Plaza Assoc., L.P. or any subsequent transferee of such property, The Union Station Plaza Assoc., L.P. will be responsible to make payments in lieu of taxes to the City of Providence equal to the amount of taxes which would have been paid to the City of Providence, under the attached tax stabilization plan, if such prohibition against transfer to a tax-exempt entity had not been violated.

SECTION 3. It shall be the goal of Union Station Plaza Assoc., L.P. to award to Minority Business Enterprises as defined in Rhode Island General Laws, Section 37-14.1 ("MBE Act") no less than 10% of the dollar value of the construction costs for the Project (as determined in accordance with the rules and regulations promulgated pursuant to the MBE act). It shall be Union Station Plaza Assoc., L.P.'s further goal to award to woman business enterprises (WBE) no less than 10% of the dollar value of the construction costs for the project (as determined in accordance with Section 21-52 of the Code of Ordinances of the City of Providence). It shall be a further goal of Union Station Plaza Assoc., L.P. to achieve a minimum level of 10% for minority and 10% for female employment. The monitoring of this section shall be by the WBE/MBE coordinator.

SECTION 4. In making employment decisions for the facility located at Union Station Plaza, Union Station Plaza Assoc., L.P. shall give preferential

consideration to qualified employees/applicants who reside in Providence. The parties agree that Union Station Plaza Assoc., L.P. will generate a minimum of 50 jobs in the City of Providence. Failure to generate these jobs within one year of opening of the Project, shall render the treaty null and void, unless so waived by the City Council. The treaty being rendered null and void would require the owner of the property to pay all taxes and fees as due and owing as if no treaty had been entered.

SECTION 5. Labor-Management strife would be detrimental to the project and to the revenue expected to be generated to the City. Therefore Union Station Plaza Assoc., L.P. has agreed to enter into a Project labor agreement with the Rhode Island Buildings Trade Council relative to construction of the facility and a separate agreement with the Providence Central Federated Council relative to employment of hotel employees. Execution of both agreements and good faith implementation of the terms and conditions of each agreement are conditions of this tax treaty and failure to execute and abide by such agreements shall render this tax treaty null and void unless so waived by the City Council. Any affiliate of any labor organization represented by either above-mentioned councils shall be prohibited from picketing, striking or boycotting at the facility/construction site during all phases of the construction of the facility and during the opening day of the facility, provided Union Station Plaza Assoc., L.P. maintains compliance with the terms of the above-mentioned agreements.

SECTION 6. The schedule listed below is based upon information provided to the Tax Assessor by The Union Station Plaza Assoc., L.P. including, but not limited, to estimated construction costs. In the event any of this information is materially inaccurate or proves to erroneous, this treaty shall be modified to reflect that accurate information. In the event that Union Station Associates does not agree with said modification, this treaty shall be null and void.

SECTION 7. That the real property taxes payable to the City by the Project during the term of this Ordinance shall be based upon the real property tax rates in effect for the City's 1997 fiscal year. This treaty is conditioned upon Union Station Plaza Assoc., L.P. at all times owing no back taxes to the City of Providence or remaining current on a payment plan approved by the Tax Collector. Failure to make said timely payments may render this treaty null and void at the sole discretion of the City of Providence.

SECTION 8. That the City, in accordance with Section 44-3-9 of the Rhode Island General Laws and Section 21-169 of the Code or Ordinances for the City of Providence, is hereby authorized to grant an exemption from the assessed valuation for tax purposes as of December 31, 1999 up to and including December 31, 2009 to The Union Station Plaza Assoc., L.P. located at Union Station Plaza, Providence, Rhode Island, Assessor's Plat 19, a portion of Lot 50, Lot 116 and a portion of lot 128 as provided in the above mentioned Ordinance, in accordance with the schedule in Exhibit A.

SECTION 9. Payments under the tax stabilization plan shall become due and owing July 1, 2000. At the closing for the land involved in the Project, Union Station Plaza Associates, L.P. shall make a payment in the amount of one hundred and seventy thousand (\$170,000.00) dollars in satisfaction of taxes due and owing for 1998 as a payment in lieu of taxes. A payment of one hundred and twenty thousand (\$120,000.00) dollars shall be made prior to December 31, 1999, payable in equal quarterly payments, in satisfaction of taxes due and owing for 1999 as a payment in lieu of taxes.

SECTION 10. This Ordinance shall take effect upon its passage.

Subject: Union Station Hotel Associates, L.P.
Tax Stabilization Application

Date: December 1, 1997

Per our meeting this past Wednesday, November 28, attended by your deputy, Rosemary Glancy and my partner, Ron Marsella, attached is the application we reviewed together. I believe that we have properly identified the parcels involved as well as the scope of the project. A check for \$300.00 is enclosed.

Also attached is another copy of the preliminary plan describing the proposed Public/Pedestrian Right of Ways associated with the project and a draft of the language regarding those areas which would need to be inserted within the Tax Treaty. As we noted, the proposed public/pedestrian right of ways are presently owned by various different partnerships which make up the overall Union Station Plaza development. Specifically:

- Parcel A Roadway (Plat 19, Lot 50) is owned by Union Station Associates
- Parcel B Plaza (Plat 19, Lot 128) is owned by Parcel One Development Associates
- Parcel C Roadway (Plat 19, Lot 127) is owned by Union Station Associates
- Parcel D Pedestrian Concourse (Plat 19, Lot 129) is owned by Union Station Associates

The exact square foot areas will need to be refined once we have completed our engineering documents. At that time, a metes and bounds survey of each parcel will be prepared.

As discussed, we are assuming an assessment based on \$46,000/room for land and improvements and \$3,500/room for tangibles for a total of \$49,500/room. Assuming 204 rooms, we concluded that the annual tax would be approximately \$327,000 based on the present tax rate.

Given our need to begin construction by 4/1/98, it is important that we begin the City Council approval process as soon as is possible. To that end, a skeleton application is to be put forward by our local councilman, John Lombardi, this week. We are meeting with John today to provide him the background of the project.

If you have any questions, please do not hesitate to call me.
