RESOLUTION OF THE CITY COUNCIL

No. 243

Approved April 3, 1959

Whereas, on December 17, 1958 the State of Rhode Island by its Director of Public Works did take by eminent domain title to many parcels of land and buildings thereon located for the North South Freeway, most of which are located in the 11th ward in the City of Providence and

WHEREAS not only are the Owners of said properties entitled to just compensation for their real estate so taken but also to prompt consideration of their claims and

WHEREAS to date it appears that most if not all of said owners have not even been advised as to what the State proposes to pay them for their properties and

WHEREAS the protracted and unreasonable delay has caused hardship and created uncertainty and confusion amongst said owners.

Now, Therefore, it is respectfully urged upon the Governor and the Director of Public Works of the State to take immediate steps to remedy the situation which presently exists by causing prompt offers of compensation to be made to the persons entitled thereto.
