Newspaper Advertising

AND SUBSCRIPTION AGENTS

No. 96 Westminster St., Providence, R. I.

Judicious Advertising Promotes Trade

William J. Danielson, for more than twenty years connected with the "Providence Journal," established in 1886 a General Newspaper Advertising and Subscription Agency, in the Lyceum Building, No. 96 Westminster Street.

Eighteen Years' Experience as a General Newspaper Advertising Agent has afforded him ample opportunities to observe the waste caused by injudicious methods of advertising and enables him to suggest the best mediums and to offer practical advice and assistance in so placing advertisements that the Advertiser MAY REAP the best results from the money expended.

In 1900 Mr. Danielson admitted his son George W., who has had nine years of thoroughly practical experience in the various departments, to a partnership in the business.

Advertisements and Subscriptions received for ALL THE LEADING Newspapers and Magazines at Low Rates. Special attention given to "locals" or reading notices in the Providence Papers.

Libraries, Societies or Individuals requiring any considerable number of Newspapers and Periodicals will find it to their advantage to send for terms.

Estimates for any amount of advertising and information as to the best mediums cheerfully furnished.

MUSCENTE'S

IMPERIAL CONCERT BAND AND ORCHESTRA

And MUSCENTE'S BOYDEN HEIGHTS CONCERT BAND

Prof. ANTONIO MUSCENTE, Director and Agent

Also, Teacher of Harmony, Music and all Brass Instruments

SIG. ANTONIO MUSCENTE, Director.

Summer Address, Boyden Heights, R. I. General Address, 221 Atwells Avenue, Providence, R. I.

These bands can be engaged for parades, picnics and parties at Union Rates on application.

That Providence contains some clever band men has been proven upon repeated occasions of greater or less importance. Last night a concert was given by the new Imperial Band under the leadership of Prof. A. Muscente, at the Providence Opera House, which imparted fresh emphasis to this fact and at the same time afforded a very large audience reason for a remarkable exhibition of genuine enthusiasm. This band is made up of players who know how to handle their instruments skilfully and who are fortunate in having a leader of the ability and experience of Sig. Antonio Muscente. It was this band that was given a tremendous reception in the Italian quarter last summer shortly after its formation. The concert last night was, from beginning to end, an enjoyable affair. In the higher, and airies numbers the band displayed an admirable spirit and animation and produced a tone that was crispiness and daintiness crystalized.—"Providence Telegram," Nov. 17, 1902.

The Imperial Band of this city (Providence, R. I.) is one of the best bands in the country and one of the best bandmasters in Italy, Sig. Antonio Muscente, has been secured to lead this prosperous organization; his popularity is unquestioned.
—"Providence News," Nov. 17, 1902.

The Imperial Band of this city plays with wonderful effect, and the leadership of Sig. Muscente is of the best material.—"Providence Evening Bulletin," October 20, 1902.

In the presence of a large audience the Imperial Band of Providence, R. I., A. Muscente, leader, gave an excellent concert in the Auditorium last night. For a new organization it appears with excellent advantage and its members were received with much favor.—"Providence Daily Journal," Oct. 20, 1902.

WE BUY, sell, exchange, rent, appraise, mortgage, insure and generally manage real estate. Deal largely in business blocks and wharf properties, manufactories and sites for same, also blocks of land for speculation. We believe we understand particularly well the situation in Providence respecting this class of real estate.

We represent, as brokers, the Oxford Land Company. The Company is unusually well equipped to improve small blocks of City lots by building streets and houses. It can and does sell such holdings at prices those who are not so equipped to develop can well afford to pay for investment or speculation. If one has a house or lot not producing what it should, this Company will purchase such on a reasonable basis.

Real Estate in all Parts of the City
For Sale on Easy Terms

You may as well ask why should a man save money. People should own their own homes because it promotes the health and happiness of the family. It is a bond that keeps the family in perfect harmony, it makes them independent, and is a source of comfort and joy in their old age. It costs them practically no more than paying rent, and it gives them freedom not to be acquired in a rented tenement. For the amount of rent money you pay you can own an ideal home easier here than elsewhere. Yours when you grow old; yours when you appreciate a home and need one the most. Make your start now and enjoy an easy old age. City or Suburban—take your choice. Let me give you figures and show property now.
