Re: **Resolution Requesting The Traffic Engineer to Cause Jenkes Street to be established as a One Way street from Benefit Street to Pratt Street**
XC: ANTONIO MORABITO, PUBLIC WORKS DIRECTOR

I have reviewed the request to cause Jenkes Street to be established as a One Way street from Benefit Street to Pratt Street. I concur with this request. This action is reversing the previous ordinance which restricted access to local traffic only on Jenkes St. from Benefit st. to Congdon St.. It is my understanding that this ordinance has been expunged. There were 2 public meeting with the community to discuss this reversal of the local traffic only traffic restriction. At those meetings the attendants were in support of the reversal of the local access only restriction.
