Re: Council Resolution No. 326

Dear Ms. Mendonca:

After receiving notification of the Council Resolution No. 326, I immediately contacted Councilman Joseph Paolino who explained or defined the existing problem in greater depth.

Inspection of this area in complaint reveals the sidewalk at 19 Luongo Street is in hazardous condition. A Work Order was immediately issued in order that we may start right on this site. The repair work at this address will be completed the week of the 23rd of June, by order of Richard Barbato, Sidewalk Supervisor.
