Dear Madam Clerk:

As the owner of a parcel of land and building that is bordered by Crary Street, Allens Avenue and Globe Street in the city of Providence, I am requesting that the address be changed from 80 Globe Street to One Franklin Square.

We have purchased, and are in the process of completely renovating, a building formerly owned by A.H. Leeming Construction. Upon completion we will be marketing this building for office use. The location is one block south of Davol Square.

There are other properties around us that are presently undergoing renovations and we suspect with the improvements that we are bringing to the area other property owners will follow our lead. It will be invaluable to us for marketing purposes that the area have identification similar to what has been done at Davol Square.

Your assistance in preparing the resolution for this change is much appreciated. Thanking you in advance for your kind attention to this matter, I remain

Very truly yours,
