The Honorable City Council
Committee on Public Works
City Hall
Providence, Rhode Island

RE: Resolution No. 521

Gentlemen:

The Traffic Engineering Department has received the following resolution from your Committee and has taken the subsequent action:

Request: That the Traffic Engineer is requested to cause the installation of NO PARKING TO CORNER signs along the southwesterly side of Steuben Street at Atwells Ave.

Disposition: Our investigator has checked this location at several times and found this corner clear of vehicles. This department does not feel that a regulation is warranted at this time. A City Ordinance prohibits parking within 25 feet from any intersection, signed or otherwise.

Very truly yours,

Frank A. Tibaldi
Traffic Engineer
