Re: Resignation from the City of Providence Environmental Sustainability Task Force

Dear Mayor Elorza:

I regret to inform you that I am resigning from my position as a member of the City of Providence Environmental Sustainability Task Force, effective January 31, 2016, as current responsibilities prevent me from being able to devote the necessary time to the Task Force.

I will continue to be available as a Providence Water liaison and resource for the Environmental Sustainability Task Force and Office of Sustainability.

It has been a pleasure serving on the Environmental Sustainability Task Force for the past four years. I wish you and the Task Force much success in your efforts to create a future based in sustainability.

Respectfully,

Carissa Richard
