SUBJECT: Referral No. 1268 - ZONING CHANGE AT THE CORNER OF BRANCH AVENUE AND
WILD STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, May 8, 1962.

This referral is a request for a zoning change from an R-3 General Residence Zone to a C-2 General Commercial Zone of Lot 220 of Assessor's Plat 78. The area contains 22,000 square feet of land.

An inspection and photographic survey determined the property in question to be a vacant lot on which has been erected an unilluminated sign.

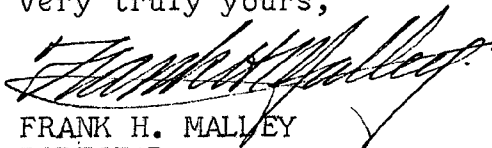

Reference is made to Referral No. 1650, from the Zoning Board of Review, dated January 20, 1961 at which time the petitioner requested permission to erect an unilluminated identifying sign on the property. No objection was offered to the granting of the petition and the petition was granted.

The present petition, if granted, would create a case of spot zoning which would prove highly detrimental to surrounding property values.

The Commission

VOTED: To recommend that this petition be denied.

Very truly yours,

FRANK H. MALLEY
DIRECTOR
