My Dear Friend Frank:

The enclosure, a copy of Resolution of the City Council, No. 568, approved October 29, 1976, is a record of respect to your late beloved mother. I have sent to your father a duly engrossed copy of the same.

In the authorship of the same, I take no personal pride and feel wholly inadequate to identify your late mother's beneficence, which is found in the family she leaves as living testimony of a good life.

Sincerely,

Vincent Vespia  
City Clerk of Providence
