Re: Resolution of the City Council No. 305

Dear Mr. Vespia:

The above referred to City Council resolution was referred to the Providence Redevelopment Agency at its meeting on June 14, 1977 and thoroughly discussed.

I was directed to inform the City Council that the Agency's remaining redevelopment bonding fund balance has been allocated to the Federal Hill East and Downtown projects, and that the feasibility of undertaking an urban renewal project within the West End Area of the 8th Ward would depend upon the availability of financial resources either through the Mayor's Office of Community Development or the general fund of the City of Providence.

Sincerely yours,
