

RESOLUTION OF THE CITY COUNCIL

No. 222

Approved March 21, 1995

WHEREAS, The City of Providence Parks Department shall hold its Annual International Arts Festival entitled "Convergence VIII", and

WHEREAS, As part of that celebration the Department would like to install two (2) steel sculptures on the sidewalk located adjacent to 95-120 Empire Street, and

WHEREAS, The Director of the Department of Public Works has found that the proposed sculptures would not unreasonably interfere in the free passage of pedestrian traffic.

NOW, THEREFORE, BE IT RESOLVED: That the City of Providence Parks Department may temporarily install two (2) steel sculptures on the sidewalk located adjacent to 95-120 Empire Street provided that said installation shall conform to the description of the same given to the Council Committee on Public Works and that the Parks Department obtain insurance protecting the City of Providence, its agents, officers, servants and employees from any and all claims arising out of the placement, installation and maintenance of said sculptures and upon such other conditions as the City Solicitor and His Honor, the Mayor, may impose.

Providence City Council
City Hall**

February 7, 1995

Dear Chairman Clarkin and Committee Members,

In celebration of the Providence Parks Department, Division of Public Programming's Twentieth Anniversary, the Department requests a sidewalk permit for 95-120 Empire Street. We would like to temporarily install two welded steel sculptures between the street tree wells for a period of time not to exceed two months beginning April 1, 1995.

The sculptures will be part of the Parks Departments' Annual International Arts Festival "CONVERGENCE VIII". This site was selected because of its location in the heart City's Arts & Entertainment District. The festival is in the process of expanding its traditional location in Roger Williams Park to include new sites in downtown Providence.
