SUBJECT: Referral No. 2025 - Abandonment Portion of Stewart and Lyman Streets

Gentlemen:

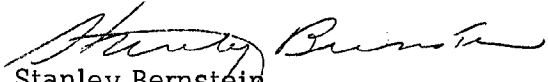

The City Plan Commission at its February 26, 1980 regular monthly meeting evaluated the subject petition proposing the abandonment of a portion of Stewart Street beginning 75 feet from Westminster Street to Lyman Street and a portion of Lyman Street from its terminus running southwesterly 150 feet. This petition was submitted by the Providence Blueprint Company, owner of Lot 254 which is located at the southwesterly corner of Lyman and Stewart Streets in question.

A field inspection revealed that Lyman and Stewart Streets are improved public right-of-ways. Abandonment of those portions of Lyman and Stewart Streets will create not only two land-lock parcels (Lots 413, 414) but also two dead end streets, that will affect the traffic circulation pattern of this area. Therefore,

The Commission

✓ Voted: - To recommend to your Committee that this petition be denied.

Re: Abandonment of Portion of Lyman Street and Portion
of Stewart Streets.

Dear Sir:

The Department of Public Works has investigated the feasibility of the abandonments of portions of said streets and has determined it would not be feasible to dead end both of these streets.

It is recommended that the petition for abandonment be denied.

Sincerely,
