Dear Mr. Pearlman:

I am writing to request your assistance in presenting a petition to the Providence City Council for repaving Elton Street in the 2nd Ward.

The need for repaving this street was brought to my attention by Mrs. Aileen Lemon of 10 Elton Street. In addition, Mrs. Lemon requests that the possibility of allowing parking on only one side of that street be explored due to the congested traffic conditions.

I would appreciate your assistance in this matter. Please inform me if I can aid you in any way.

Sincerely yours,

Victoria Lederberg
