We, the undersigned, wish to call the following urgent matters to Mayor Cianci and the Providence City Council.

TWO

Parking has become an acute problem on Empire Street and in all of downtown Providence due to the loss of two commercial parking lots, loss of street parking on the west side of Empire Street, plus the unreasonably high punitive parking fines.

Immediate relief by allowing angle parking on wide Empire Street will double the present parking spaces.

Long term relief will be had if the parking garage with reasonable rates, as proposed by the chamber, is erected on the Weybossett-Empire corner.

We the undersigned cannot afford to lose any more of our customers and clients. Please help us stay in business and pay our taxes.
