Gentlemen:

Enclosed is the Board of Health form "C", ordering the vacating of the building as unfit for human dwelling.

These people are unable, because of age and illness to keep themselves in a sanitary condition. The Welfare Department has been notified but drastic action may be taken whereby proper medical care may be made available to them.

Under our present statutes this is the only means left to us. With the issuance of this order, the Health Department will see that these people are transferred to the State Infirmary.

Respectfully yours,

Joseph Smith, M. D.,
