SUBJECT: Referral No. 907 - ZONING CHANGE AT 9-11 SOMERSET STREET

Gentlemen:

The subject referral received consideration by the City Plan Commission at a meeting held on Tuesday, July 9, 1957.

This referral is a request for a change in zoning from an R-4 Zone to a C-4 Zone of Lot 322 on Assessor's Plat 29 located at 9-11 Somerset Street.

Reference is made to Referral No. 812, dated May 21, 1956, from the Committee on Ordinances at which time it was requested that the R-4 Zone be changed to a C-4 Zone. The City Plan Commission offered no objection to the granting of this petition, however, the City Council denied the request on June 6, 1956.

On the field trip it was found that the area in question is at present occupied by a three-family dwelling and a two-car garage.

The Commission

VOTED: To offer no objection to the granting of this petition.

Very truly yours,
