Councilman Robert M. Clarkin, Chair
Public Works Committee
City Clerk's Department
City Hall
Providence, Rhode Island 02903

Dear Bob,

I enclose a petition I received concerning a 4-Way stop on the corner of Carr and Cactus Streets. This neighborhood is very concerned about the speeding on our Washington Park streets, and in fact, a child died this week after being hit by a "hit and run" driver.

I have put through a resolution for a 4-Way stop at this corner and if there is anything you can do to expedite this process, I would appreciate it. I believe it is now in Public Works Committee.

Thanks for your help.

Sincerely,

Patricia K. Nolan
Councilwoman – Ward 9

Request for Carr/Cactus Sts. four-way stop

Fri 9/18/98 pm

Patricia Nolan
Councilwoman, Ward 9
City Hall
Providence, RI 02903

September 11, 1998

Dear Councilwoman Nolan:

We the undersigned are saddened but not surprised by the tragic accident last week on Miller Avenue. The same high-speed, reckless driving endangers children daily at the intersection of Carr and Cactus Streets. It is especially hazardous during morning and afternoon rush hour, when drivers race down Carr Street between Roger Williams Park and Broad Street. Over twenty children wait for different school busses at this residential intersection. We are writing to request that four-way stop signs be installed and the speed limit enforced. (There is no stop on Carr Street to slow drivers between the park and Broad Street.)

We expect immediate action on this request to make Washington Park safer for our children. Your response may be directed c/o Anne Hird, 50 Cactus Street. Thank you.
