Attention: Vincent Vespia

Re: Application for permit for Gasoline
Station of Farview, Inc.

Gentlemen:

Farview, Inc. has filed an application for permit for gasoline station in order to add an additional 6,000 gallon storage tank for lead-free gasoline at its station at 152-162 Angell Street. This additional tank is necessary in order to conform with Federal regulations.

Inadvertently the application submitted stated that the applicant's name was Fairview, Inc. I would like to correct the record so that it is clear that it is Farview, Inc. making the application for the additional storage tank.

Sincerely yours,

RICHARD A. LIGHT
