Dear Ramzi:

In accordance with our telephone conversation of a couple of weeks ago, I am officially requesting that the lighting in the area surrounding the Saint Teresa's Church located at 18 Pope Street be increased to the high pressure sodium lights, the same as the lights that were erected on Steuben Street.

Time is of the essence Ramzi with regard to this request, which was made of me several weeks ago in the form of a petition signed by approximately seventy people from this immediate area. The request includes Manton Avenue, Steere Street, Pope Street, Hyatt Street and Kossuth Street.

Evidently, the people using the church are having security problems in the evening and do not feel safe in their own neighborhood.

I spoke with Mr. Couture at the Narragansett Electric Company several days ago, so he is aware of my request. However, he indicated to me that I would have to send proper notification to you. Ramzi, this is important to me, so I would appreciate an extra effort in regard to this matter.

Thank you and I shall await your reply.

Sincerely,

A handwritten signature in cursive script that reads "Josephine Joan DiRuzzo".
