WHEREAS Section 117 of the Housing Act of 1949, as amended, authorizes the Secretary of Housing and Urban Development to make grants to municipalities and counties to assist them in carrying out programs of concentrated code enforcement in deteriorated or deteriorating areas in which such enforcement, together with certain public improvements to be provided by the locality, may be expected to arrest the decline of the area; and

WHEREAS, it has been found and determined by this body that there exists in this locality certain deteriorated or deteriorating areas for which a program of concentrated code enforcement, combined with certain public improvements, may be expected to arrest the decline of the area; and

WHEREAS it is recognized that the grant of funds pursuant to Section 117 will impose certain obligations and responsibilities upon the City of Providence, among which is the obligation to assure that any persons who may be displaced as a result of the code enforcement and public improvements programs are relocated into decent, safe, and sanitary housing in accordance with the regulations of the Department of Housing and Urban Development; and

WHEREAS Title VI of the Civil Rights Act of 1964 prohibits discrimination on the basis of race, color, or national origin under any program or activity receiving Federal financial assistance and Executive Order 11063 prohibits discrimination on basis of race, color, creed or national origin in sale, lease, or other disposition of residential property (including land intended for residential use) or in the use or occupancy thereof:

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF PROVIDENCE.

1. That an application be filed with the Department of Housing and Urban Development on behalf of City of Providence for a code enforcement grant under Section 117 of the Housing Act of 1949, as amended, of two-thirds of the cost of undertaking and carrying out a code enforcement program, which cost is now estimated to be \$1,696,888 in areas to be known as the Elmwood-West End Code Enforcement Project area and to be designated and specially described in such application, and that the Mayor of the City of Providence is hereby authorized and directed to execute and file such application, to provide such additional information and furnish such documents as may be required by the Department of Housing and Urban Development, to execute such contract or contracts as may be necessary for the grant applied for, to execute and file requisition for funds, and to act as the authorized representative of the City of Providence in the accomplishment of the code enforcement program.
